INT. STUDY - NIGHT

NINA sits at the computer facing the camera while behind her RAYMOND stands on his head. All of a sudden she stops typing and throws her hands up in the air in exasperation.

NINA
Argh! Why does this always happen
to me?

RAYMOND
What?

NINA
Every time I try and do a little
work some attention grabbing git
stands on his head and it
distracts me no end!

RAYMOND
(nervously)
Er...don't know what you mean.

NINA
Oh yes you do. Well I've had it.

With her back still turned to him she pulls out a gun.

RAYMOND
Uh, what are going to do with
that?

NINA
Shave my legs...what do you
think?

RAYMOND
Don't do anything crazy!

NINA
Too late!

She turns, points the gun straight into the camera and
fires off three shots. Raymond screams.

The camera pans around to reveal Nina pointing her gun out
the window.

CUT TO:

EXT. THE SIDEWALK OUTSIDE THE WINDOW - CONTINUOUS

A man who was standing on his head topples to the ground
with a groan.
