INT. A LIVING ROOM - DAY

Steve and Geoff, two late 20s men are sitting opposite each other. Geoff looks gob-smacked. Steve looks a bit bored.

GEOFF  
Grandma's dead?

STEVE  
Yeah.

GEOFF  
And she died of a heart attack?

Geoff shakes his head in disbelief. Steve, on the other hand, can't see what Geoff finds hard to believe.

STEVE  
No, actually, she died doing  
crack.

GEOFF  
What?

STEVE  
Yeah, she was ninety years old  
but in fact she died in a running  
gun battle with police.

Geoff recoils a little at Steve's callousness. Steve, however, is on a roll. He gets up and advances on Geoff.

STEVE (cont'd)  
She died having a three way with  
transvestites. She died extreme  
fighting in a ringed steel cage.

Geoff gets up and backs away. Steve keeps advancing.

INT. RESTAURANT - DIFFERENT DAY

Geoff is sitting at a table with a DATE when Steve appears by the table.

STEVE  
She died selling weapons of mass  
destruction to terrorists.

INT. OFFICE - DIFFERENT DAY

Geoff is at a photocopying machine with a line up behind him when Steve appears.

STEVE  
She died in a barrel going over  
Niagara Falls.

Embarrassed, Geoff grabs his papers and scurries off. Steve follows him.

STEVE (cont'd)  
She died bitch-slapping her pimp.

EXT. PARK - DIFFERENT DAY

Geoff is jogging. Steve appears behind him on a bicycle.

STEVE  
She died in a blindfolded knife  
fight.

Geoff runs but Steve is right behind him.

GEOFF  
Leave me alone!

STEVE  
She died crossing the Sahara on a  
poodle.

INT. GEOFF'S KITCHEN - DIFFERENT DAY

Geoff is at the stove. He is about to put a frying pan on the hob when Steve springs up right beside him.

STEVE  
She died riding bareback on a  
whale.

Geoff screams with fright and the release of pent up anger and swings the frying pan up instinctively. It connects clangingly with Steve's head. Steve keels over.

INT. A LIVING ROOM - DIFFERENT DAY

Geoff is sitting across from, Mary, a late-20s woman. She looks gobsmacked.

MARY  
Steve's dead?

Geoff nods.

MARY (cont'd)  
And he died of a heart attack?

Geoff stares with a fixed but inscrutable expression.
