INT. NINA'S BEDROOM - NIGHT

Nina sits on her bed working out roadside insurance.
Raymond lies next to her writing on his computer.

NINA

Wow! You know we could save so
much by just using these
vouchers.

RAYMOND

I love my computer.

NINA

You heartless bastard! I'm sick
of your selfish, obsessive ways!

RAYMOND

Before you say another word let
just ask you one question.

NINA

What!?

RAYMOND

Why do women worry about clothes
that make their bums look big
when men really love big bums?

NINA

Are you trying to say I have a
big bum?

RAYMOND

Are you trying to say I that I
have a habit of rubbing up
against lavender bushes in an
unnatural way?

NINA

No.

RAYMOND

Then I'm not trying to say you
have a big bum.

Nina reaches underneath the bed grabs a chicken and wallops
Raymond across the head. He falls unconscious on his back.
